Crawshawbooth Primary School

ICT Recycling & Disposal

September 2026

Miss Crossley

Mission Statement

Crawshawbooth seeks to provide a happy and secure learning environment where a child's natural curiosity is provided with challenges, experiences and opportunities that will enable them to grow into caring, confident and informed citizens of the future.

Inclusion

At Crawshawbooth School all curricular subjects will be taught inclusively to all children to take into account their special needs, race, religion, culture, gender, sexual orientation and their family circumstances.

Recycle IT

We use the company 'Recycle IT' through our technical support team Blue Orange to recycle and dispose of our IT equipment.
Below is a short synopsis of their services and accreditations:

RecycleIT are one of the UK's leading IT disposal and asset management service providers.

Established in response to the need for a more complete asset management service, RecycleIT provide an end-to-end solution for your redundant IT.

Our unique IT service - from collection to disposal and recycling, is designed to remove and dispose of IT equipment, all within a secure and environmentally sensitive way within the WEEE directive.

With many years of experience in IT refurbishment and extensive knowledge within the second user market, we are expertly placed to provide our clients with honest and highly competitive rebate values.

Arranging the disposal of redundant IT equipment can be a logistical strain for many companies, so an outsourced solution such as RecycleIT disposal service can prove beneficial for a number of reasons:

- Large quantities of IT equipment are evaluated and can often be removed free of charge
- Complete peace of mind that all data is erased on-site
- Certificate of Data Erasure issued to the customer
- Fully accredited & CRB/DBS checked personnel
- Large or small quantities accepted
- High security vaults for complete peace of mind
- Quick and efficient service
- All recyclable material is distributed accordingly
